Ephraim: And who'd win in a fight: a zombie or a shark?  
Wijd shot - Jongens zitten in een circel

Eef: "A Zombie, ofcourse. It's already dead, right? It's not gonna be scared of.."

Eef: "Hey, what kind of shark? A sandy? A whitetip? I could win against a sandy!"

Max schudt zijn hoofd afkeurend.

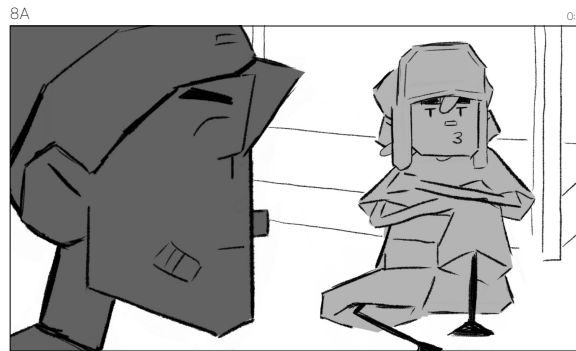

Max: "Great white. Biggest badass in the ocean."

Max leunt naar voren.

Eef: "Pfft killer whales got it all over great whites."

Over the shoulder shot.

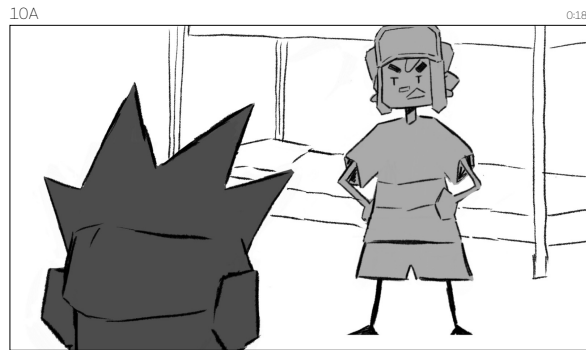

Eef: "But anyways, I still say zombie. If it gets one bite in, it wins-the sharks's a zombie!"

Eef slaat armen over elkaar heen.

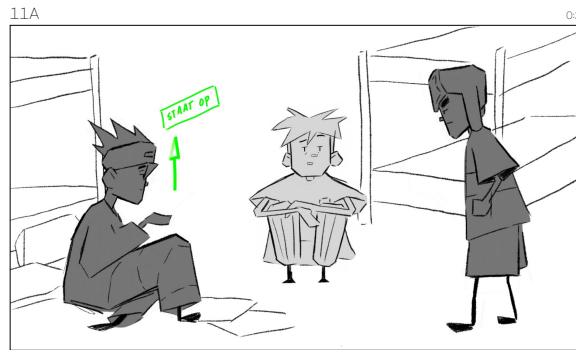

Max: "Who says sharks turn into zombies?"

Max deinst achteruit.

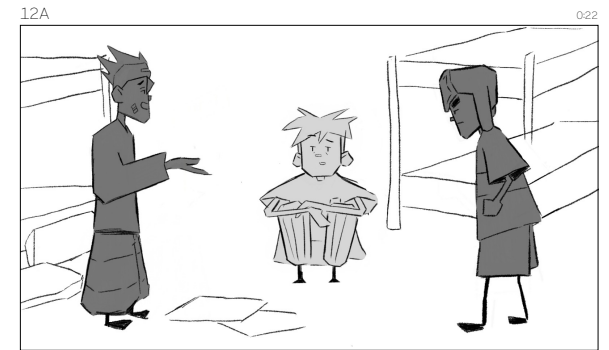

Eef: "Everything turns into a zombie. Max-a-million."

Over the shoulder shot - Eef staat op.

Max: "Whatever. I say shark-"

Wijd shot - Max staat op.

Max: "Do you know how thick sharkskin is?"

Max: "Who says a zombie's old rotted teeth won't break?"

Mid shot Max.

Max: "And anyways, what if the shark bites the zombie's head off?"

Max: "A zombie can't swim too well, it's rotten-ass arms flopping around."

Max doet een imitatie.

Eef neemt een moment om na te denken - Mid shot Eef.

Eef: "Well, if it bites the zombie's head off and swallows it, it's head will be in the shark's belly-and it'll still be alive."

Eef: "Like zombie-alive, which is really dead but whatever."
